FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 6TH AUGUST, 1838.

Resolution.—The Proprietors of the Bank of Bengal having by a Resolution passed at their General Meeting held on the 24th April, 1838, by a large majority expressed a wish that the Capital Stock of that Institution should be further increased beyond the sum of 75 Lakhs of Company's Rupees, at which it was fixed by Act XIX. of 1836, and the President of the Council of India in Council (acting in concurrence with the Right Honorable the Governor General) being of opinion that no sufficient reason exists for refusing the assent of the Government to the application made in consequence in behalf of the Proprietors, or for declining to take the steps necessary for effecting the desired increase of Capital in the manner applied for, has resolved to pass the following Act to give effect to the increase of Capital of the said Bank of Bengal, and to prescribe the form and conditions under which subscriptions thereto shall be taken.

The following Draft of a proposed Act is accordingly published for general information.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein, shall not be debarred of the right to subscribe for the new Stock in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

IV. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council, whon he shall direct an increase to be made of the Capital Stock of the Bank of Bengal, to prescribe that the subscriptions shall be made upon each share respectively, in any given proportion to the amount of Stock represented by such share, and after subscription made at any time within the period of notice prescribed in Section II. of this Act, to permit the amount subscribed on account of any share or shares to be paid up and ainexed to the Capital Stock of the Bank in such manner and at such dates as may be deemed most convenient and proper, and likewise to prescribe that the amount of new Capital that may not be subscribed for within the period of 18 months so specified, shall be sold by Auction by an Officer of the Bank for the behefit of the Proprietors of the Bank at large, on some early date, after the close of such period, any thing in the adeting Charter of the said Bank to the contrary activities and the said Bank to the

FORT WILLIAM,

JUDICIAL AND REVENUE DEPARTMENT,

THE 7TH AUGUST, 1888.

Resolution.—By the "Rules" passed by the Right Honorable the Governor General in Council on the 15th March 1839, and published in the Calcutta Gazette of the 23d idem, Commissioners of Revenue and Circuit were empowered, under certain circumstances, to grant to their Subordinates, without reference to Government, leave of absence for periods not eding a month in the year.

But in consequence of the re-establishment of the Office of Superintendent of Police, and the transfer, in almost all Districts, of the Criminal appeal duties, from the Commissioners of Circuit to the Sessions Judges, the subordination of most of the Officers previously subject to the Commissioners, has been divided, and the authority once exercised over Magistrates and Collectors, their Deputies and Assistants, by Commissioners alone, is now in their hands in the Revenue Department only—that belonging to the Criminal Department being field partly by Sessions Judges and partly by the Superintendent of Police.

As however the Orders of Joth March 1883 have never been rescinded, and the Superintendent of Police has not like amplowered to grant leave, but merely to forward applications to Government, considerable

inconvenience has arisen, and it is obvious to the Deputy Governor that the Rules in question, require modification to suit the altered circumstances of the

Accordingly His Honor has been pleased to modify the Rules of 15th March 1833, as follows:

the Rules of 15th March 1833, as follows:

1. All Officers hitherto subordinate to the Commissioners of Revenue and Circuit, requiring leave of absence for any term, on account of causes not urgent, will hereafter apply for leave to the Government through the Officers to whom they may be subordinate.

2. Officers subordinate at the same time to the Commissioners of Revenue and to the Superintendent of Police, will apply separately through both Functionaries, and await their respective directions.

According to the preceding rule, a Magistrate or Magistrate's Assistant, requiring leave of absence, will apply (the latter through the Magistrate) to the Superintendent of Police, who will forward the application to Government with such opinion as he may deem proper. deem proper.

In like manner, a Collector or Collector's Deputy or Assistant, will apply to the Commissioner, who will forward the application with his opinion to the Sidder Board of Revenue, by whom it will be submitted to Government with such remarks as the Board may think fit to call for think fit to call for.

S. Officers holding the situations of Magistrate and Collector (united or separate) and their submidinates, will, in urgent cases, apply to the Commissioner of Revenue, who, in such cases,—the urgency being clearly set forth,—will grant leave of absence for a period not exceeding one month. Every such leave granted must be without delay reported to Government by the Commissioner, who will also, when the Officer to whom leave is granted is subordinate wholly or in part to the Superintendent of Police, give intimation of the circumstance to that Functionary.

Ordered, that the above Resolution be published in the Calcutta Gazette, for general information.
